

Presbyterians Sharing Mission Capsule

JUSTICE MINISTRIES: Truth, reconciliation and equity – Our gifts to *Presbyterians Sharing* support Presbyterian participation in KAIROS' *Truth, Reconciliation and Equity: They Matter to Us!* campaign. This campaign invites KAIROS members to support the work of the Truth and Reconciliation Commission of Canada and to speak with Members of Parliament about how the Government of Canada will implement the United Nations Declaration on the Rights of Indigenous Peoples. Let us pray for Presbyterians who are working to build bridges of understanding and respect with indigenous people in Canada.

PWS&D Bulletin Bit

January 29: Famine in East Africa – Presbyterians have been responding to what has been declared the worst East African drought in the past 60 years. Despite the onset of short rains this December, millions are still suffering the effects of limited food availability, sky rocketing food prices, and water scarcity. PWS&D is committed to long-term intervention in this region and together we can continue to provide food and clean water, as well as seeds and agricultural training to affected communities who are in desperate need of your support. You can make a donation through your church offering, mail a cheque to the office, donate online or call PWS&D at 1-800-619-7301 ext. 291. Please mark all donations "East Africa Drought." www.presbyterian.ca/pwsd/donate

~ **Update:** As many of you are no doubt aware, the situation with the sale of St. Patrick's-Alexander School and in particular, the eviction of St. Joseph's Children's Centre continues to be in flux. We continue to be engaged in conversation with St. Joseph's Children's Centre to see if we can somehow accommodate their centre or part of it. It is my belief that this is an answer to our prayers, however, the conversation continues as we discern how God will direct us in this potential relationship. We ask that you continue to keep the future of Knox in your prayers.
