

Ward 5 Food Bank:

This is just a friendly reminder to remember to pick up an item for the food bank when you're out shopping. It is a small way that we can make a difference in another's life by sharing from our abundance with those who have little. We are asking that each week, everyone bring at least one non-perishable food item for our offering to the food bank. If each person brings at least one item, that would mean between 30 and 40 items going to help those who have little, have something for their tables. As we were reminded each week, part of our responsibility as Christians is to feed the hungry and care for those who are poor, marginalized and oppressed. Let us do our part by sharing from the bounty God has blessed us with and be a part of bringing hope and nourishment to those in need.
