

## Mission Capsule

**CANADA: Meeting students' needs** – *Presbyterians Sharing* supports the University of New Brunswick's Campus Ministry in Fredericton. UNB's protestant chaplain, The Rev. Kevin Bourque, writes: "In addition to our regular presence on campus through participation in official university ceremonies, student groups, clubs and activities, our most successful venture has been in reaching out to meet the *physical* needs of our students." To help reduce the high stress levels that students feel during exams, the chaplaincy holds a regular exam-time "stress-buster social", offering free food and a space to step away from the busyness and stresses of studying. These events are positive experiences for both the students and the chaplains. Let us pray for UNB's campus ministry and the other university chaplaincies supported by *Presbyterians Sharing*.

~ We will be holding a 4 week Bible Study beginning this coming Thursday Nov. 24<sup>th</sup> @ 7 p.m. The focus will be on preparing for Christmas. If there are some of you who cannot come out at night and would like a study during the day, I will offer the same study on Thursday mornings at 10:30.

~ If you are looking for a unique Christmas gift or maybe you have someone on your list that "has everything"; why not consider purchasing something from the PWS&D Gift Guide? Copies are on the resource table in the lobby.
