

## Mission Capsule

**Bible Translation: Sharing the good news** – Imagine trying to read or understand the Bible if it wasn't available in your native language. Our gifts to *Presbyterians Sharing* are helping to translate the Bible into several languages: Hakka in Taiwan; Kotoko in northern Cameroon; Izii, Ikwo, Ezaa and Mgbolizhia in Nigeria; and Mauritian Creole in Mauritius. Bible translation is a complex process. It can be a challenge for translators to capture the nuances and imagery of the Bible stories, keeping the text faithful to the original Hebrew and Greek. Let us thank God for those Bible translators who are helping to shine the light of Christ for people who yearn to read the Bible in their own language.
